

# Pioneer School 2024

Children who have completed first grade through eighth grade are invited to experience a three-day one-room school adventure. Each three-day session will be held in the 1852 Town House School located in Taylors Falls across the street from the Memorial Community Center (Depot). This year we will do 4 sessions: June 25-27, July 9-11, July 16-18 and July 23-25. The second session will be "girls only" with an additional embroidery project.

Attendance is limited to 24 students per session.

The fee is \$40 per student. Refunds will be given until 7 days before the session you sign up for. After that, your refund is reduced to \$30 per student.

For any questions, contact Betsy or Jim Oman at 651-674-4583. Leave message. Calls will be returned each evening.
